

Oaklands Junior School

Headteacher
Mrs H West

14th June 2017

Dear Parents/Guardians,

Following recent meetings with our governors and updates in newsletters regarding Academisation of Oaklands Junior School, we would like to update you.

Four schools, Edgbarrow Secondary School, Hatch Ride Primary School, Oaklands Infant and Oaklands Junior School have met on several occasions, in order to develop our ideas for working together to form a Multi Academy Trust (MAT) which would be called the Corvus Learning Trust. This is subject to approval of the application by the DfE. Any final proposal would be subject to a formal consultation with interested parties including parents/guardians.

However, we want to confirm that discussions are continuing and plans are slowly being formalised for the proposal to create a MAT.

Each school will hold information sessions for all parents and stakeholders as soon as there is more definite information to give you. There will then be a formal consultation period on the proposals which will be your opportunity to ask questions.

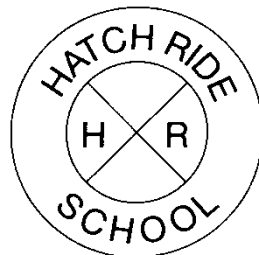

Yours faithfully,

HWest
